INTRODUCTION

I'm a **hard worker** and has a **responsible** way of looking at life. I'm **open minded** and see myself as an out of the box thinker but I'm also always **thinking about the big picture** and about reaching my goals. I'm searching for a place where I will be able to contribute, show my strengths and develop myself professionally. I am inspiring to be part of a company that **develops a strong sense of belonging** and earns my enthusiasm.
